IAM Strategy 300: The World's Leading IP Strategists

News & Updates • June 25, 2019

We are delighted to announce that Pravin Anand is featured in the latest edition of the IAM Strategy 300: The World's Leading IP Strategists, 2019. We are also proud of Vaishali Mittal and Dr Neeti Wilson who are also featured in the IAM Strategy 300: The World's Leading IP Strategists, 2019 which identifies the individuals who are leading the way in the development and implementation of strategies that maximise the value of IP portfolios. Pravin Anand, Vaishali Mittal and Dr Neeti Wilson have been identified as world class IP strategists. IAM says: An "IP visionary and top strategist", Pravin Anand supplies thought leadership in abundance through his publishing and speaking activities. He has also set many IP precedents in the courts, most recently winning the first SEP judgment in India. Vaishali Mittal is a leading light in India regarding SEPs; she recently litigated – and won – the country's first SEP judgment. An engine of Anand and Anand's patent practice, Mittal is an outstanding advocate and deal negotiator. Emerging as "one of the finest IP lawyers in India", Neeti Wilson "makes important contributions to the development of domestic and international IP law". The experienced research scientist "combines superb legal knowledge with outstanding technical expertise" and is an "authority on biodiversity issues".
