IAM Says

Sporting an impressive track record spanning over four decades and a multitude of precedent-setting intellectual property cases, **Pravin Anand** has mastered the art of IP litigation and strategy.

Deftly combining business needs with intellectual property expertise to offer strategic advice to clients, **Safir Anand** has created a niche in the fashion industry, supporting big-name brands to protect and maximise their IP assets.

Well-versed across the full spectrum of patent work, **Archana Shanker** is instrumental in the Indian intellectual property world, providing strategic counsel and representing her clients in precedent-setting cases across the country.

Turned to by clients for their highest-stakes litigation and transactional matters, **Vaishali Mittal** is lauded for her "effective and timely manner".
