

Conference on Intellectual Property Rights for Startups

News & Updates • April 2, 2018

Ravin Galgotia shared his views on Intellectual Property Rights for Startups in a conference attended by existing and aspiring startup owners who were given tips and advice on navigating through the IP landscape from a legal and business perspective. The comprehensive session was aimed at empowering the startups to protect and leverage the power of their IP. The conference was organized by Jagan Incubation Centre, Delhi and was streamed live on their Facebook page. [gallery type="slideshow" size="medium" ids="3246,3247,3248,3249,3250"]
