

Agri-Business Incubation Center – ICAR

News & Updates • October 14, 2019

The Agri-Business Incubation Center of the ICAR- Indian Veterinary Research Institute as a part of their Navodya 2019: Agripreneurship Orientation Programme and Samriddhi 2019: Agripreneurship Incubation Programme invited Vidisha Garg as a guest lecturer on 1st October to share her views on 'Patent Protection for Startups'. The sessions were highly interactive and engaging. Read more of her recent engagements with the ICAR at <https://www.anandandanand.com/4795-2/> [gallery type="slideshow" size="medium" ids="5149,5150"]
