Patent and Telecom Seminar in Japan

News & Updates • May 16, 2017

Archana Shanker, Devinder Singh Rawat and Gitanjali Bhatnagar conducted seminars in Japan on the 2016 Indian patent rules, telecom litigation, and patent prosecution and litigation in India. The questions and enthusiasm of the participants, representing IT, telecom, chemical and engineering majors, were welcomed by the speakers, and made the event a heartening success. Read more about the changes brought by the Patents (Amendment) Rules 2016.
