Digitisation and Role of IoT for Next Generation Enterprise

News & Updates • June 1, 2017

Subroto Panda participated in a panel discussing how best to harness new and emerging technologies, and is recognised in the CIO Leadership Awards. The occasion organised by VARINDIA brought together senior officials of government, IT and financial majors and cyber law experts to deliberate 'Digitisation and Role of IoT for Next Generation Enterprise'. Minister of State of Law, Justice and Electronics and IT, Mr. P. P. Choudhary, delivered the keynote speech.
