

Pravin Anand Listed in IAM Strategy 300

News & Updates • June 13, 2017

IAM Strategy 300's [latest 2017 guide](#) lists Pravin Anand once again in its directory of the world's leading IP strategists. The annual guide recognises individuals who have consistently developed and provided innovative solutions and world-class IP value creation programmes. As IAM describes them: "individuals who offer top-tier services relating to the development and implementation of strategies which enable IP owners to maximise the value." [Meet our team](#)
