Legal Counsel Congress 2018

News & Updates • April 14, 2018

Rajiv Maheshwari was invited to participate in a panel discussion on "Artificial Intelligence Vs Human Intelligence. Time to give up or is it all just hype?" at the Legal Counsel Congress held in Mumbai on 13th April 2018. Rajiv shared his experiences from an eventful journey of implementing AI, ML and NLP in the firm that commenced in 2015 and has seen several of our AI based projects being recognized at Financial Times Most Innovative Lawyers Asia Pacific. The engaging panel discussion covered a wide variety of challenges and opportunities emanating from the increasing use of AI in the legal fraternity.
