Trademark Reporter International Annual Review: India

Thought Leadership • April 5, 2012

A review of several Indian court decisions on a variety of trademark issues. Pravin Anand looks at some key trademark decisions by Indian courts pertaining to tarnishment, hyperlinking, detrimental/unfair advantage and non-use. *This article was published in The Trademark Reporter Mar-Apr 2012.* To continue reading, please contact us at email@anandandanand.com
