Global Webinar on Legal Technology and Digitalization

News & Updates • April 25, 2019

In a bid to "reinvent the business approach, boost brand visibility, engage clients, enhance market presence and deliver compelling outcomes" Events 4 Sure organised a Global Webinar in which Shantanu Sahay along with other panellists deliberated on the topic – "Legal Technology & Digitalization - Will That Replace Legal Counsel or Help Them To Partner with Business?" The Webinar was held on 11 April 2019 and focused on various points including the state of digitization in the legal sector, new trends spotted and much more.
