

Training sessions at the Karnataka Police Academy

News & Updates • July 22, 2019

Tracing another milestone in sensitizing police officials as a part of an initiative by Cell for IPR Promotion and Management (CIPAM), Saif Khan conducted training sessions on different topics on 11th and 12th July at the Karnataka Police Academy in Mysuru. As part of a two-day training program, he covered brand identification for two famous brands on 11th July and 'Investigation and Prosecution of IP Crime with an introduction to CIPAM IP Toolkit' on 12th of July. The training sessions were attended in large numbers by Police officers from different cities across Karnataka including the Deputy Director, Prosecution.
