Customs officials' training for strengthening IP Enforcement

News & Updates • August 30, 2019

The momentum is growing! In yet another initiative by the Cell for IPR Promotion and Management (CIPAM), Manish Biala conducted a training session for Customs officials at the Customs House, IGI Airport, New Delhi. The interactive training session was aimed at giving information on the "Roles and Powers of Customs officials in IP Enforcement" which aimed at empowering and equipping Customs officials against counterfeiters. It is noteworthy to mention that the Government of India has recently appreciated the continued efforts of our Partners Saif Khan and Manish Biala in organizing Enforcement Workshops on a pan India level. These Workshops, totalling over 50 in number, were held for police officials in collaboration with Cell for IPR Promotion and Management (CIPAM), Department of Promotion of Industry and International Trade (DPIIT) and Ministry of Commerce and Industry.
