Breaking down the "Person of Ordinary Skills in the Art"

News & Updates • July 4, 2016

Speaking of the hypothetical person who holds the key to unlock the strength of a patent, the importance recognised globally as well in the Indian jurisdiction, irrespective of the fact that it is very difficult to define that person. Pravin Anand gives us a visual representation and breaks down the ways of identifying the qualities of Person Skilled in the Art (POSA). Please read the entire article at: Person of Ordinary Skill in the Art - A visual representation
