

Amicable resolution qua settlements – a catena of our recent settlement cases

News & Updates • September 9, 2019

Amicable resolution of a dispute through settlement is an efficient and resourceful way to end a dispute. Parties mutually agree on the terms and conditions and the matters are resolved amicably, not only lessening the burden of the courts but also lessening the cost of litigation of both the parties involved. Furthermore, settlements are less stressful and also ensure privacy of the parties involved. Team Anand and Anand comprising of Vaishali Mittal and her team, has been instrumental in finalising and working out a number of settlements during the past one month and more. Our catena of recent cases decreed post successful settlement are:
