

5th International Conference on Plant Genetics and Genomics

News & Updates • October 18, 2019

As part of a discussion on 'Genome Engineering and New Breeding Techniques' our partner, Dr. Neeti Wilson was a speaker at the 5th International Conference on Plant Genetics and Genomics "Germplasm to Genome Engineering" that was held from 17th - 18th October in New Delhi. She shared insights on Patent Estate of CRISPR Technology: Licenses and Pools for furthering Innovation by Genome Editing.
