

12 Members of Anand and Anand Appointed to Various INTA Committees for 2022-23

News & Updates • October 13, 2021

Committed to pushing the envelope and addressing issues – some appurtenant to IP, others merely tethered to it – 12 members of our firm have been appointed to various International Trademark Association (INTA) committees for 2022-23. These committees work with an objective to benefit the stakeholders and society by addressing a wide range of issues related to trademarks and intellectual property.

Here are our members who have been appointed to various INTA committees.
