

DynamicCIO Smart Innovator Award 2021

News & Updates • November 17, 2021

It gives us immense pleasure to share that our CIO Subroto Panda is the winner of the DynamicCIO Smart Innovator Award 2021.

Mr Panda and his team have upped the tech stack at Anand and Anand by developing and deploying technological processes and complex algorithm-enabled systems to streamline services, saving man-hours and maximizing productivity while maintaining the quality of our output.

Congratulations to Mr Panda and our entire IT team Anand and Anand
