

# 100 years of Anand and Anand

News & Updates • August 15, 2023

100 years ago on 15 August 1923, a lithographer started scripting the story of an innovative India in his one-room office in Delhi and thus laid the foundation of ANAND AND ANAND. Today, as India is seated on the cusp of an IP revolution, we are proud to have contributed towards its IP growth.

Whether it's 1923 or 2023, Innovation is what has driven us. Join us as we celebrate 100 years of IP and 100 years of Anand and Anand.
